COMPLAINT FOR DAMAGES AND EQUITABLE RELIEF

Plaintiff, LELAND FOSTER, individually, by and through the undersigned counsel, Owen B. Dunn, Jr. and Valerie J. Fatica, Co-Counsel for Plaintiff, hereby files this Complaint against Defendant **Mich-Can, Inc**, a Michigan Corporation for Profit for injunctive relief, damages, attorneys' fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* ("ADA"), alleging as follows:

JURISDICTION AND VENUE

1. This action is brought by the Plaintiff, Leland Foster, individually, and on behalf of individuals similarly situated, pursuant to the enforcement provision of the American with Disabilities Act of 1990 (the "ADA"), 42 U.S.C. § 12188(a), against the Defendant as delineated herein.
2. The Court has jurisdiction pursuant to the following statutes: 28 U.S.C. § 1331, which governs actions that arise from the Defendant's violations of Title III of the ADA, 42 U.S.C. § 12181, *et seq.*; 28 U.S.C. § 1331, which gives the District Courts original

jurisdiction over civil actions arising under the Constitution, laws, or treaties of the United States; 28 U.S.C. § 1343(3) and (4), which gives District Courts jurisdiction over actions to secure civil rights extended by the United States government; and 28 U.S.C. § 1367, as Count II utilizes the same core of operative facts as Count I, and is therefore subject to supplemental jurisdiction.

3. Venue is proper in the Eastern District of Michigan as venue lies in the judicial district of the property *situs*. The Defendant's property and operations complained of by Plaintiff are located in this judicial district, where the business of public accommodation is conducted, including the acts complained of herein.

PARTIES

4. Plaintiff, LELAND FOSTER ("Plaintiff") is an Ohio resident, is *sui juris*, and qualifies as an individual with disability as defined by the ADA, 42 U.S.C. § 12102(2), 28 C.F.R. 36.104.
5. Defendant **Mich-Can, Inc** owns a KFC and Long John Silver's located at 3040 Krafft Rd., Fort Gratiot, MI 48059 in St. Clair County. Plaintiff has patronized Defendant's restaurant previously as a place of public accommodation.
6. Upon information and belief, the facilities owned by **Mich-Can, Inc** are non-compliant with the remedial provisions of the ADA. As Defendant owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104, Defendant is responsible for complying with the obligations of the ADA. Defendant's facilities as a restaurant and place of public accommodation fails to comply with the ADA and its regulations, as also described further herein.

7. Plaintiff is an individual diagnosed with cerebral palsy and permanently uses a wheelchair for mobility. Plaintiff has difficulty grasping with his hands also as a result of his disability. As such, he is substantially limited in performing one or more major life activities, including but not limited to, standing and walking, as defined by the ADA and its regulations thereto. On or about the dates of June 18, 2015, October 23, 2015 and March 15, 2016, Plaintiff visited the property that forms the basis of this lawsuit and plans to return to the property to avail himself of the goods and services offered to the public at the property.
8. Plaintiff is an avid adaptive sports enthusiast and participates regularly with the active local adaptive sports community, including hand cycle events and adaptive skiing in Southeast Michigan. Through his involvement in adaptive sports he has established friendships throughout Michigan including a good friend in Port Huron whom he visits regularly. Leland Foster frequents many establishments in the St. Clair County region and has been a customer at the restaurant on the property that forms the basis of this lawsuit. During the Plaintiff's visits to Defendant's restaurant he encountered architectural barriers at the subject property that violate the ADA and its regulations. The barriers to access at the property have endangered Plaintiff's safety.
9. Completely independent of the personal desire to have access to this place of public accommodation free of illegal barriers to access, Plaintiff also acts as a "tester" for the purpose of discovering, encountering, and engaging discrimination against the disabled in public accommodations. When acting as a "tester," Plaintiff employs a routine practice. Plaintiff personally visits the public accommodation; engages all of the barriers to access, or at least all of those that Plaintiff is able to access; and tests all of those barriers to

access to determine whether and the extent to which they are illegal barriers to access; proceeds with legal action to enjoin such discrimination; and subsequently returns to the premises to verify its compliance or non-compliance with the ADA and to otherwise use the public accommodation as members of the able-bodied community are able to do. Independent of other visits, Plaintiff also intends to visit the premises annually to verify its compliance or non-compliance with the ADA, and its maintenance of the accessible features of the premises. In this instance, Plaintiff, in Plaintiff's individual capacity and as a "tester," visited the Facility, encountered barriers to access at the Facility, and engaged and tested those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access and the ADA violations set forth herein.

10. Plaintiff has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations contained in this complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. Plaintiff desires to visit the Defendant's place of business again on future occasions, not only to avail himself of the goods and services available at the property but to assure himself that this property is in compliance with the ADA so that he and others similarly situated will have full and equal enjoyment of the restaurant and its amenities without fear of discrimination.
11. The Defendant has discriminated against the individual Plaintiff by denying him access to the full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 *et seq.*

12. The Defendant has discriminated and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, *inter alia*, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less).
13. A preliminary inspection of **Mich-Can, Inc**, including its facilities, has shown that many violations of the ADA exist. These violations include, but are not limited to:

Accessible Routes

- A. There are cracks and changes in level on the accessible route, in violation of the ADA whose remedy is readily achievable.
- B. The curb ramp has changes in level in excess of ½ inch, in violation of the ADA whose remedy is readily achievable.
- C. There is not a compliant accessible route from accessible parking due to curb, in violation of the ADA whose remedy is readily achievable.

- E. There are no access aisles at the designated accessible parking spaces, in violation of the ADA whose remedy is readily achievable.
- F. The designated accessible parking lacks signage, in violation of the ADA whose remedy is readily achievable.

Restrooms

- G. The door hardware used by Defendant requires tight clasping and twisting, in violation of the ADA whose remedy is readily achievable.
- H. The restroom's lavatory pipes are not insulated to protect for contact or scalding, in violation of the ADA whose remedy is readily achievable.
- I. Toilet compartments lack required door pulls, in violation of the ADA whose remedy is readily achievable.

- J. The accessible toilet compartment door does not automatically close, in violation of the ADA whose remedy is readily achievable.

Policies and Procedures

- K. The Defendant lacks or has inadequate defined policies and procedures for the assistance of disabled patrons, in contravention of the ADA whose remedy is readily achievable.
14. The discriminatory violations described in Paragraph 13 by Defendant **Mich-Can, Inc** are not an exclusive list of the Defendant's ADA violations. Plaintiff requires further inspection of the Defendant's place of public accommodation and facilities in order to photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The Plaintiff has been denied access to Defendant's accommodations; benefit of services; activities; and has otherwise been discriminated against and damaged by the Defendant, as set forth above. The individual Plaintiff, and all others similarly situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendant's place of public accommodation, facilities and operations in order to determine all of the areas of non-compliance with the Americans with Disabilities Act.

COUNT I
VIOLATION OF THE AMERICANS WITH DISABILITIES ACT

15. Plaintiff restates the allegations of ¶¶1-14 as if fully rewritten here.
16. The restaurant at issue, as owned and operated by **Mich-Can, Inc**, constitutes a public accommodation and service establishment, and as such, must be, but is not, in compliance with the Americans with Disabilities Act ("ADA") or Americans with

Disabilities Act Accessibility Guidelines ("ADAAG").

Plaintiff was unlawfully denied full and equal enjoyment of the goods, services, facilities, privileges, and advantages of the property on the basis of disability due to Defendant's failure to comply with Title III of the Americans with Disabilities Act and its accompanying regulations, as prohibited by 42 U.S.C. § 12182, *et seq.* Defendant will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant is compelled to remove all physical barriers that exist at the facility, including those specifically set forth herein, and make the facility accessible to and usable by persons with disabilities, including Plaintiff.
18. The Plaintiff, and others similarly-situated, is presently without adequate remedy at law and is damaged by irreparable harm. Plaintiff reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant is required to remove the physical barriers, dangerous conditions, and ADA violations that exist at the Facility, including those set forth herein.
19. Pursuant to 42 U.S.C. §12187, Plaintiff requests that the Court issue an injunction requiring Defendant to make such readily achievable alterations as are legally required to provide full and equal enjoyment of the goods, services, facilities, privileges, and advantages on its property to disabled persons. In connection with that relief, Plaintiff requests reasonable attorney's fees and costs of maintaining this action.
